ASSUMPTION OF OUR MOTHER INTO HEAVEN!!

*“This daughter of Jerusalem is lovely and beautiful as
She ascends to Heaven like the rising sun at daybreak!”*

“...the true name of this feast ought to be ‘Feast of the Divine Will.’ It was the human will which closed Heaven, broke the bonds with its Creator, formed and released miseries, sorrows and put an end to the festivity that the creature ought to have enjoyed in Heaven. Now this Creature, Queen of everyone, by doing always and in everything the Will of the Eternal One (indeed it can be said that Her life was only Divine Will) opened Heaven, bound Herself with the Eternal One and enabled the feasts with the creature to return to Heaven. Each act She fulfilled in the Supreme Will was a feast begun in Heaven; they were Suns formed to ornament this great feast; they were music dispatched to the delight of Celestial Jerusalem.

“Thus, it is My Will, more than anything else, which is celebrated on the feast day of Her Assumption into Heaven. It was My Will alone that made My most Holy Mother ascend so high and distinguishes Her among everyone; all the rest would have been as nothing if She had not possessed the prodigy of My Will. It was My Will which gave Her the Divine Fecundity and made Her Mother of the Word. It was My Will which made Her see and embrace all creatures together, making Her Mother of everyone and loving everyone with the love of Divine Maternity; and, making Her Queen of everyone, allowed Her to rule and dominate. So, on that day, My Will received the first honors, the glory, in the abundant fruit of Its work in the Creation, and began the never-interrupted feast, for the glorification of Its work in My dearest Mother. And, although Heaven had been opened by Me and many saints were already in possession of the Heavenly Fatherland when the Celestial Queen was assumed into Heaven, they waited for Her, who had honored It so much and contained the true prodigy of the most Holy Will, in order to make the first feast of the Supreme Will, since the primary reason for the Feast was really She, who had fulfilled in everything the Supreme Will.

“Oh, how all Heaven magnified, blessed, and praised the Eternal Will when they saw enter into the Highest Heaven, in the middle of the Celestial Court, this sublime Queen all bathed in the light of the Eternal Sun of the Supreme Will! They saw Her all adorned with the power of the Supreme Fiat and that there had not been in Her the least heartbeat in which this Fiat had not been imprinted. Astonished, all the celestial spirits looked at Her and said to Her, “Ascend, ascend to the Highest! It is just that She, who has so much honored the Supreme Fiat, and by means of whom we are found in the Celestial Fatherland, have the highest throne and that She be our Queen!”

“Holy, Holy, Holy! Honor and glory to the Will of our Sovereign Lord! And glory to Mary and three times Holy, She who has let this Supreme Will operate!”

Dear Friends,

May His Kingdom Come!

Praise our Almighty and Loving Father for the favors He has bestowed on all mankind giving us this most Loving, Solicitous, and Merciful Mother and Queen! My prayer is for this Mother to be known and loved by all Her children!

Here at the HOS we are very excited about renewing our Consecration to the Divine Will on this most magnificent Feast Day! We have a beautiful and holy Priest that will receive our Consecration. I made this Consecration formally for the first time in 1994 on this date at Holy Mass with three other Priests and several lay persons. It was a most memorable day for me and one that my heart still leaps with joy at remembering. So I have renewed my Consecration on this day every year for the past 11 years.

How do you thank a Father so generous, so loving, so merciful as this for a Gift as great as this? How can you ever merit it? My heart is overflowing with love and thankfulness to my Creator! I pray that everyone experiences just once the goodness of God as I have so many times! I know my Mother in Heaven has been instrumental in all of these experiences of love sent forth for me from my Father! I owe everything to Him for Her!

I have attached a copy of our consecration along with this letter for those who wish to make or renew this consecration.

Two years ago, the ladies and I went to the Cathedral in Santander, Spain to renew our Consecration to the Divine Will, but there was a grand celebration going on with the Bishop in attendance. Having desired to make our consecration in quiet surroundings, we decided to go elsewhere. We could see another Church about three blocks away. As we approached this Church we saw the name of it. We all had tears in our eyes for we knew this was another gift from our Mother in Heaven. It was the Church of the Assumption! Afterward, we celebrated with much gratefulness and love towards our sweet Mother for making these very special arrangements for us!

***Hail, holy Queen of Heavens.
Hail, holy Queen of the Angels.
Hail, Root of Jesse.
Hail, Gate of Heaven.
By You the Light has entered the world.
Rejoice, glorious Virgin,
Beautiful among all women.
Hail, radiant Splendor,
Intercede with Christ for us!***

"My sweet Jesus, while I am near You I want to attest to You my love, my gratitude, and all that the creature should do for You for having created our Immaculate Queen Mother the most beautiful, the most holy, a portent of grace-enriching Her with all gifts, and making Her our Mother. Moreover, I do this in the name of creatures past, present, and future. I want to seize every act of the creature, every word, thought, heartbeat, and step; and, in each one of them, say to You that I love You, I thank You, I bless You; and I adore You for all that You have done for my and your Celestial Mother."

Luisa Piccarreta, Volume 12, December 18, 1920

May you always remain in the Immaculate Heart of our Mother as a refuge and under Her Mantle for safekeeping!

In His Will always,

PS: Another beautiful reading I could not resist, I added as a PS. Know that Our Mother keeps each of us very jealously held to Her Maternal Heart, for She loves us more than a Mother, She loves us as God loves us!!

*“.....do you want to know who She is to whom all of Heaven sang hymns and caused them to be enraptured? It is I, She who never did her will. The Divine Will abounded in Me so much that It extended heavens most beautiful, suns most refulgent, seas of beauty, of love, of sanctity with which I could give light to all; love, sanctity to all; and enclose within My Heaven everyone and everything. It was the operation of the Divine Will working in Me which had worked a prodigy so great. I was the only creature who had entered into Heaven that had formed Its Kingdom in my soul. Now, all the Celestial Court, in looking at Me, marveled because, looking at Me, they found Me sky; looking at Me again, they found Me sun; and, no being able to detach their gaze, looking deeper, they saw in Me sea; and they even found in Me the most clear earth of my humanity with the most beautiful efflorescence; and enraptured, they exclaimed: **“How beautiful She is! She has everything centered in Herself; She lacks nothing! Of all the works of her Creator, She is the only complete work of all creation!”***
