ANNUNCIATION OF OUR MOTHER, MARY!

*“Hail Mary, full of Grace, the Lord is with you. Blessed are you among women,
and blessed is the Fruit of your womb, Jesus!”*

Jesus to Luisa, “...She was enriched with so many graces for the mission of her Divine Maternity that all the earthly and heavenly creatures combined could never equal Her.in her virginal heart She had an inexhaustible disposition toward God and toward all creatures. And when the Divinity found in this Virgin the recompense of love for all, It felt attracted and Its Conception was completed, that is the Incarnation of the Word. And as She conceived Me, She took part and embraced together with Me all the pain, satisfaction, reparation and maternal love toward everyone. Thus, in the heart of my Mother, there was a fiber of maternal love toward each creature. Therefore, in truth and justice I declared on the Cross that She was the Mother of everyone. She was with Me in love, in pain, in everything; She never left Me alone. And if the Eternal One had not filled Her with so much Grace so as to be able to receive from Her alone the love of everyone, He would never have moved from Heaven to come upon the earth and redeem the human race. This is why it was fitting and necessary that, due to the mission as Mother of God, She had to embrace everyone and surpass everyone.

She must be as the sun that gives light to everyone. That is how it was with Me and my Celestial Mother.”

Dear Hearts,

May His Kingdom Come!

Happy Feast Day!! Praise God for Mary, the Mother of God and our Mother! I could write a letter for this wonderful feast day, but the best thing I can do for you is to teach about the enormous benefit to your soul to know about the writings of Luisa Piccarreta. You will learn about the most beautiful mysteries of Our Lady and Our Lord. I can not say enough about the sublime knowledge you receive from this writings. They teach us how to return to the Original State of Justice...to that relationship that Adam had with our Father before the fall. What greater relationship could you have with your Father than this? I can't get started on this subject or I will be writing all night, but I can tell you that Our Lord wants this relationship with you more than you want it. He yearns for it more than you can imagine. This is the reason for everything that God has done since the fall...to redeem man so he can then rise to the state to which God created him in the beginning.

One good thing too is that even the L'Osservatore Romano has written a beautiful piece extolling Luisa's virtues. Every Catholic can feel very secure in reading her volumes. They are truly the 'Book of Heaven.' (<http://www.divinewillinfo.com/print/prt-process2005-09.pdf>)

The other thing I can do is to teach the benefit of praying the 'Three Hail Marys' everyday for those that have not heard. This will aid in your sanctification and Mary's glory! I have been practicing this for years and realize that I have not shared it with too many people. That is a shame because this is a most beautiful habit for all of Mary's children. I quote from a pamphlet I have:

---

"One of the greatest means of salvation and one of the surest signs of predestination is the devotion to the Most Blessed Virgin, our Heavenly Mother! All the holy doctors of the Church agree totally in saying with St. Alphonsus of Liguori, "A devout servant of Mary shall never parish." The chief thing is to always persevere till death in this devotion.

A practice most worthy of and requested by Our Mother is that of praying the 'Three Hail Marys' daily in honor of God the Father, God the Son, and God the Holy Ghost. As Our Mother revealed to St. Melchilde on her death bed:

"The first Hail Mary will be in honor of God the Father, Whose omnipotence raised my soul so high above every other creature that after God I have the greatest power in heaven and on earth. In the hour of your death, I will use that power of God the Father to keep any hostile power far from you.

"The second Hail Mary will be said in honor of the Son of God Who communicated His inscrutable wisdom to me. In the hour of your death I will fill your soul with the light of that wisdom so that all the darkness of ignorance and error will be dispelled.

"The third Hail Mary will be in honor of God the Holy Ghost Who filled my soul with the sweetness of His love and tenderness and mercy. In your last hour I will then change the bitterness of death into divine sweetness and delight."

---

Our Lady revealed to St. Gertrude the Great, "To any soul who faithfully prays the Three Hail Marys, I will appear at the hour of death in a splendor so extraordinary that it will fill the soul with heavenly consolations."

---

And Our Sweet Mother also promised to keep from mortal sin any soul who prays the Three Hail Marys morning and night followed by these prayers:

"O my Mother, preserve me from mortal sin during this day."

"O my Mother, preserve me from mortal sin during this night."

*"All Generations will call Me blessed, the Almighty has done great things in Me."*

*The Annunciation heralds the beginning of our salvation. By Mary's obedient "Fiat," the earth has become heaven. "In Jesus, God has placed, in the midst of barren, despairing mankind, a new beginning which is not a product of human history but a gift from above."*

*All that our heart cries out for became flesh in Mary's womb. When we repeat the words of the angel by praying the Hail Mary, the Word of God germinates in our soul. Christianity is this never-ending encounter with God made present in the maternity of the Blessed Virgin Mary.*

*Pope Benedict XVI*

## THE INCARNATION OF OUR LORD, JESUS CHRIST!!

*"The Holy Spirit will come upon you, and the power of the Most High will overshadow you. Therefore the child to be born will be called holy, the Son of God!"*

*Dearest child, this is precisely why I love so much to let you hear the celestial secrets of the Divine Will, so that you may love the Divine Will, to let It form Its throne within yourself, and abhor the human will, to make of it the footstool of the Divine Will, keeping it sacrificed at Its divine feet.*

*Now, child of my Heart, pay attention to Me and listen: several days before the descent of the Eternal Word upon earth, I could see Heaven opened and the Sun of the Divine Word at Its doors, as though to look out for the one upon whom He was to take His flight, to render Himself Celestial Prisoner of one creature. Oh, how beautiful it was to see Him at the doors of Heaven, as though on the lookout to spy the fortunate creature who was to host her Creator! The Sacrosanct Trinity no longer looked at the earth as alien to It, because there was little Mary who, by possessing the Divine Will, had formed Its Divine Kingdom in which the Word could safely descend, as in His own residence, in which He would find Heaven and the many suns of the many acts of Divine Will done within my soul. The Divinity overflowed with love, and removing the mantle of Justice which It had worn with the creatures for so many centuries, It covered Itself with the mantle of infinite mercy, and decreed the descent of the Word... and It was now in the act of sounding the hour of fulfillment! At this sound, Heaven and earth were astounded, and all stood at attention, to be spectators of such a great excess of love, and a prodigy so unheard-of.*

*Your Mama felt ignited with love, and echoing the love of my Creator, I wanted to form one single sea of love, so that the Word might descend upon earth within it. My prayers were incessant, and while I was praying in my little room, an Angel came, sent from Heaven as messenger of the great King. He came before Me, and bowing, he hailed Me: "Hail, O Mary, our Queen; the Divine Fiat has filled You with grace. He has already pronounced His Fiat, for He wants to descend; He is just behind my shoulders, but He wants your Fiat to form the fulfillment of His Fiat."*

*At such a great announcement, so much desired by Me – although I had never thought I was to be the chosen one – I was stupefied and I hesitated one instant. But the Angel of the Lord told Me: "Do not fear, our Queen, for You have found grace before God. You have conquered your Creator; therefore, to complete the victory – pronounce your Fiat."*

*I pronounced my Fiat, and – oh, marvel! - the two Fiats fused together and the Divine Word descended into Me. My Fiat, which received the same value as the Divine Fiat, from the seed of my humanity, formed the tiny little Humanity which was to enclose the Word, and so the great prodigy of the Incarnation was accomplished.*

*Oh, power of the Supreme Fiat! You raised Me so high as to render Me powerful, to the point of being able to create within Me that Humanity which was to enclose the Eternal Word, Whom Heaven and earth could not contain! The Heavens were shaken, and all Creation assumed the attitude of feast. Exulting with joy, they peeked over the little house of Nazareth, to give homage and obsequies to the Creator made man; and in their mute language, they said: "Oh, prodigy of prodigies, which only a God could do! Immensity has become little, power has made itself powerless, His unreachable height has lowered itself deep into the abyss of the womb of a Virgin and, at the same time, He is little and immense, powerful and powerless, strong and weak!"*

*My dear child, you cannot comprehend what your Mama felt in the act of the Incarnation of the Word.*
