SPECIAL GARABANDAL LETTER
JUNE 2006

The Sudden and Unexpected Takeover of Communism!

As we have been reading lately, the Russian Roman Catholics have been to visit Pope Benedict and they are very enthusiastic about him coming to Moscow. Even the Russian Orthodox are willing for him to come and talk about the relationship between the two Churches. (After, of course, a number of issues have been resolved and agreed upon.) With this in mind, it is good to know that there contains a statement attributed to Conchita in a book called "Garabandal, the Finger of God," written by Albrecht Weber, a German who has been involved with Garabandal since the early years, which states, ***"The Pope will go to Russia, to Moscow. As soon as he returns to the Vatican, hostilities will break out in different parts of Europe."*** (Garabandal Journal November/December 2003)

On June 19, 1962, in a vision, the girls of Garabandal saw many people suffering very much and screamed for 50 minutes. They asked Our Lady what they were seeing and Our Lady told them the tribulation. They then asked Our Lady what this tribulation was and Our Lady answered that it was Communism, led by Russia, and that it will suddenly and unexpectedly take over most of the free world, causing a great tribulation, at which time the Church will seemingly disappear and all the rights of Christians would be taken away, and there could be many Martyrs! **At the height of this tribulation, God is going to send a great Warning to the entire world!**

Last January it was reported that an alleged visionary** stated that the Warning would happen on January 6th. Many people spent a lot of money and time to come to Garabandal. The Warning did not happen and supposedly the alleged visionary said that they had prayed it away.

It was reported that this same alleged visionary told people that the Warning was going to happen on June 13th and many people again spent a lot of money and time coming to Garabandal. (3 bus loads) Not surprisingly, they prayed it away again!

Several years ago, a Priest, I believe from Holland, brought many people here saying that the Miracle was going to happen. They brought many, many sick in wheel chairs, etc. I am sure the Priest had good intentions and was only trying to help these people. The Miracle did not happen. People even spent the night up at the "Pines" waiting for the Great Miracle.

Another alleged visionary from South America brought, at great expense, two or three bus loads of people saying the Miracle was going to happen. The Miracle did not happen.

This happens almost every year. How is it that they believe the Miracle will happen? And why does the Miracle not happen? The answer to the first question is that someone gets the idea, most of the time through an alleged visionary or locutionist, that the Miracle will happen at this time or at that time and they start planning on coming and, of course, believing that the Miracle is going to happen, they bring as many as they can to witness this great event.

The answer to the second question is because it is not the time for the Great Miracle to happen.

I feel badly that people are not well informed on the events of Garabandal. Because of the ignorance of people about the messages of Garabandal, there is much confusion and waste of time and money. Even the alleged visionaries are not well informed, this is obvious.

God is immutable! He is unchangeable...as is Our Sweet Heavenly Mother! They are not going to tell the four visionaries of Garabandal one thing and then go and tell other alleged visionaries another thing. It's an impossibility! God CAN NOT change! He would not be God if He were not immutable!

As you can see from the above message that Our Lady gave to the girls here in Garabandal, the Warning will not happen until Communism, led by Russia, takes over most of the free world. It will not happen until the Church seemingly disappears. **At the height of this tribulation the Warning will come!** Mary Loli was given the year of the Warning, but not the date. When you understand that then you know the alleged visionaries and locutionists are mistaken when they say it will happen at any other time other than what Our Lady said.

The Miracle will happen within a year of the Warning. Conchita was given the date of the Miracle and is to announce the date 8 days prior to it happening. It is to occur at the "Pines" which sits above the little village of Garabandal and it will last 15 minutes. After the Miracle, a Permanent Sign will be left there. You will be able to see and televised it, but not touch it. And you will have no doubt that it is a sign from Heaven! It will last until the end of the world.

If people do not change their ways after all this, then a great chastisement will befall mankind which will wipe away 2/3 of the population of the world! God is almighty, all powerful and He is not sending His Mother to us for nothing! He means what He says and will do what He says. Please do not think that these things will not happen, because that is not true...God is immutable, He is unchangeable...If He says it will happen it will happen! Listen to Him and to your Heavenly Mother!

I am sorry if I sound judgemental, I am not trying to be, but I hope I am performing an act of mercy to all those people who do not understand or know the messages of Garabandal and who waste their time and money listening, in their innocence, to alleged visionaries who are misleading them. Maybe the alleged visionaries are not doing this on purpose, but the fact remains that it does mislead people. What scares me is that one day these alleged visionaries will have to face God with what they do and with what they tell people. This concerns me very much!

Please study the books and messages of Garabandal so you will know the truth about the messages and the happenings of Garabandal. Then you will know what to look for and what to expect as far as the Warning, Miracle, Permanent Sign and Chastisement are concerned! Don't let people mislead you into wasting your time or your money.

We live in Garabandal most of the year and we have witnessed this kind of thing over and over again. It seems to me it is time to try to stop it and to inform people about Garabandal.

It is not a waste of time or money to come to Garabandal to visit and to go to the "Pines" to pray and to experience the wonderful peace there. You will also experience the loving, sensible presence of your Mother there, too. Thousands of pilgrims do that and receive many graces and blessings. We have even witnessed healings, physically and spiritually, at the "Pines." This is wonderful and a very good thing. But these pilgrims aren't coming here, spending their valuable time and money, believing the Miracle will happen or the Warning. They are just here to experience the beauty of Garabandal and Our Lady.

God bless each of you and may He hold you always in the Palm of His Hands.

Ann Ellison

**We are not talking about the four visionaries of Garabandal, but of other alleged visionaries who have come on the scene since the happenings of Garabandal ended.
