## NEWS BULLETIN

*from the House of the Divine Will to the Readers of "Letters of Gold"*

The Shipment of the book, "**Saints in the Divine Will**," arrived from Corato yesterday!

By special providence, the authorities responsible for matters related to Luisa Piccarreta's Cause of Beatification in the Diocese of Trani have published an English version of the 2005 Italian version of "**Saints in the Divine Will**" and have made them available to our "Center for the Divine Will" for distribution.

Archbishop Giovan Battista Pichierri of Trani (The diocese where Luisa lived) requested Fr. Sergio Pelligrinni to produce this book as a contribution towards the critical edition of the complete writings of the Servant of God Luisa Piccarreta.

Archbishop Pichierri, who wrote the Preface to this book, said the following about Fr. Pelligrinni, *"Knowing his excellent qualities as a priest, and how well prepared he is both spiritually and theologically, I have personally encouraged Fr. Sergio to search the writings of Luisa for Jesus' own thoughts regarding holiness. I have asked him to make critical observations in the form of annotations that would help explain Luisa's ideas..."*

Fr. Sergio Pelligrinni is the pastor of the Parish of Santa Maria Greca in Corato, where Luisa's mortal remains are laid to rest. He is also the spiritual advisor to the "Pious Association of Luisa Piccarreta—Little Children of the Divine Will" whose president is Sister Assunta Marigliano, and he is also the spiritual advisor for the Diocesan Secretariat for the Cause of Luisa Piccarreta.

This book is very helpful for understanding the spiritual doctrine of Luisa's writings and has the valuable added benefit of its Preface by Archbishop Pichierri, which can be quite helpful to those who are in active promotion of the Reign of the Divine Will. Also helpful is the DVD, "**Dawn of a Mystery**," about Luisa's life, which contains interviews with Archbishop Pichierri and other important persons associated with Luisa's Cause. (We have a supply of these DVDs on hand.)

The suggested donation for "**Saints in the Divine Will**" is \$5.95 and \$21 for the DVD, "**Dawn of a Mystery**." You may order these valuable tools of instruction by calling the Center for the Divine Will at **423-566-5178** or by writing to: **Center for the Divine Will, PO Box 340, Caryville, TN 37757.**

Mail orders should include extra funds for postage. All funds received for the DVD (except postage) go to the Association Luisa Piccarreta in Corato, and a significant portion of the funds received for "*Saints in the Divine Will*" also go to Association Luisa Piccarreta.

Note: This special opportunity of providing the book, "*Saints in the Divine Will*," does not indicate any change in the prohibitions of Archbishop Pichierri regarding the publishing of the writings of Luisa Piccarreta as stated in his letters of 2007 and 2008. Those prohibitions are currently in place due to the ongoing process of the Cause of Luisa in the Vatican. When the prohibitions will be lifted is unknown at this time.

New readers should be aware that our Center has permission to distribute our inventory of Luisa's writings until depleted. A list of our publications is attached to this email.

Respectfully, in the Most Admirable, Amiable and Adorable will of God,

Thomas Fahy
